

ICM 2026 KUCHING – SARAWAK

INTERNATIONAL CONFERENCE ON MICROELECTRONICS

Conference Date: 7–10 December 2026
Borneo Cultures Museum, Sarawak,
Malaysia

CALL FOR TUTORIAL

INTERNATIONAL CONFERENCE ON MICROELECTRONICS

The Organizing Committee of the 38th IEEE International Conference on Microelectronics (ICM 2026) invites **Tutorial Proposals** for the conference, to be held in the **Borneo Cultures Museum, Kuching, Sarawak, Malaysia**, from **December 7th to 10th, 2026**.

These tutorials are intended to complement the regular program by addressing emerging topics related to, but not limited to, the conference theme that are of significant interest to the ICM community. Tutorials should provide in-depth coverage of emerging topics, offering a comprehensive overview and insights into the latest advancements for both researchers and practitioners.

Submission Guidelines for Tutorials:

- Tutorial title
- Indicate short (1.5 hour) session or half-day (3 hours) session
- A 250-word abstract
- Names, affiliations, pictures, short bios, contact details and expertise of presenters within the proposal's subject area

Important Dates

Proposal Submission Deadline	July 20, 2026
Notification of Acceptance	July 30, 2026
